New Year NEW ARRIVALS

AVENEER EV1

AVENEER EV1-LE

0

%
APR
FOR

**48
MONTHS***

On qualifying Brother sewing and embroidery machine purchases of \$5,000 or more with the Sewing & More credit card for a limited time. Equal monthly payments required for 48 months. Promo fee of 2% of amount financed will be included in required monthly payments.

OR
5.99
%
APR
FOR

**60
MONTHS†**

On qualifying Brother sewing and embroidery machine purchases of \$10,000 or more with the Sewing & More credit card for a limited time. Fixed monthly payments required for 60 months.

** Offer applies to single-receipt qualifying purchases made at participating Brother dealer locations between January 10-20, 2025. Refurbished or used machines do not qualify. Software and accessories are not included in the financing offer and must be purchased separately. Monthly payments may be higher than the payments that would be required if this purchase was a non-promo purchase. During the last month(s) of the promo period the required monthly payment may be reduced due to the prior months' rounding. Regular account terms apply to non-promo purchases. New Accounts as of 07/16/24: Purchase APR 34.99%, Penalty APR 39.99%. A promo fee will be charged equal to 2% of the amount financed on an equal payment no interest promotion of 18 months or more. Min Interest Charge \$2. Existing cardholders: See your credit card agreement terms. Subject to credit approval. ©2025 Brother International Corporation. ©Disney.

*A promo fee, equal to 2% of the amount financed at time of purchase, will be shown as a separate transaction on your billing statement and included in the balance subject to this promo. Any taxes, delivery or other charges included in the amount financed will increase the related promo fee and the required monthly payments. For example, a \$950 purchase with \$50 in taxes and shipping costs, will be charged a promo fee equal to \$20 and \$1,020 will be charged to your account. No interest will be charged on the amount financed (including related promo fee), and equal monthly payments are required on such balance until it is paid in full. The payments equal the amount financed (including related promo fee) divided by the number of months in the promo period, rounded up to the next cent.

†A Promo Fee does not apply to this offer. Interest will be charged on the promo purchase from the purchase date at a reduced 5.99% APR, and fixed monthly payments are required until paid in full. These payments are equal to 19328% of initial total promo purchase amount, rounded up to the next whole dollar.

Industry First Features and Unrivaled Innovations

✓ Largest Embroidery and Projector Area

A large 14.1" workspace handles everything including large home decor projects. The industry leading 11 5/8" x 18 1/4" embroidery frame is the **largest and most advanced** ever offered by Brother. Project stitches or designs onto an 8"x5" projection area, allowing for precise placement and editing.¹

Picture Play Embroidery Function

Using AI technology, the Picture Play Embroidery Function converts photos or images into thread art and displays it directly on-screen, giving the users the ability to effectively paint with thread for the ultimate work of art.

ISR Intelligent Stitch Regulator

Keeping all stitch lengths even, this feature adjusts the needle timing to match the actual speed of the fabric being fed into the machine. Includes three modes (Continuous, Intermittent, and Basting) and three free motion feet.

A Library of Built-in Designs

Browsing a vast collection of over 877 sewing stitches, 1,858 embroidery designs, 31 fonts, and over 217 Disney character patterns from the large 10.1" capacitive LCD touch screen is easy and comfortable.

✓ Buttonhole Preview

A first in the industry this innovative feature lets users preview the style, vertical or horizontal placement, and spacing of buttonholes through the powerful StitchVision projector.¹

✓ StitchVision Technology

Preview your stitches before you sew! Project a marker line, square, circle, or grid directly onto the fabric in one of 16 colors. This feature brings the reassurance of precision to every project.¹

Edge-to-Edge Quilt Feature

With easy-to-follow instructions and 15 patterns to choose from, this dynamic feature lets users finish their quilt directly on the Aveneer EV1. Even with our 7" x 12" or 10" x 10" magnetic hoops. A great substitute for a long arm!

Voice Guidance Feature

Gently guides users audibly through next steps of a project with a choice of voices in 6 languages.

Mobile Apps

App compatibility extends the creative possibilities of the EV1. With the Artspira Mobile App², access 10 bonus designs for the large hoop or use the drawing tool to create personalized quilt labels. The My Design Snap App² provides the opportunity to digitize any photo in one of 10 filters, all wirelessly between a mobile device and the EV1.

BERNINA
made to create

Meet the B990

Magical sewing, quilting and embroidery.

Imagine a sewing machine that can do it all: sew, quilt, and embroider with flawless precision, captivating speed and miraculous features. A machine that will help you transform any project into a masterpiece of art and craft. That sewing machine is the BERNINA 990, the ultimate expression of Swiss engineering, precision and innovation.

This new BERNINA flagship sewing and embroidery machine offers you an amazing 14 inches of space to the right of the needle and innovative features you have always dreamed of.

The B 990 is more intuitive than ever with easy, modern navigation and gestures. Tap into your inner artist customizing the 2,927 stitch patterns and 879 built-in embroidery designs. Precisely place and view directly on the screen in front of you with the help from the new BERNINA Placement Scanner, integrated Camera and BERNINA Pinpoint Laser.

The new BERNINA Integrated Stitch Regulator (BISR) brings stitch regulation to all quilting applications — including Ruler Work.

In addition, with WiFi Connectivity and the new Help Center at your side, you can access feature and technique information anytime and anywhere.

This is the new BERNINA 990. Create your Magic!

MORE SPACE THAN EVER BEFORE

The B 990 includes a meticulously engineered extended freearm with 14 inches (356 mm) of space to the right of the needle, providing you with ample space for big, beautiful sewing, quilting and embroidery projects.

NEW 10-INCH TOUCH SCREEN AND MODERN USER INTERFACE

The large interactive touch screen with gesture capabilities, icons with text descriptions, and intuitive interactions makes sewing and embroidery easier than ever. It can be operated with touch gestures, the included touch screen pen, or an optional computer mouse.

NEW HELP CENTER

Access the onboard manual with search functionality, the Creative Consultant with step-by-step tutorials, or the Quick Start to get started sewing and embroidering in no time. The Help Center can be accessed on your personal device (tablet or smartphone) by simply scanning the QR code on screen (must be connected to WiFi) allowing you to always have information right by your side.

NEW BERNINA PLACEMENT SCANNER AND CAMERA

Scan and view the embroidery hoop and view the needle area on screen with the Camera in both sewing and embroidery for perfect placement of stitch patterns and embroidery designs.

NEW AUTOMATIC NEEDLE THREADER

The Automatic Needle Threader helps you get started with a different thread by simply pushing a button. Conveniently and quickly, every single time.

Includes **NEW** Jumbo Stitch, Undo/Redo and Stitch Designer

NEW: BERNINA Pinpoint Laser

Sew many features!

BERNINA
made to create

Sew without limitations.

Unlock unlimited creative potential by customizing the 2,927 stitch patterns or creating your own stitches with the Stitch Designer. Only BERNINA gives you Total Stitch Control to place and adjust every stitch exactly as you want it and with the new Jumbo Stitch, the stitches are magically transformed into patterns of all sizes — sizes never sewn before! Creative freedom to the fullest.

NEW BERNINA PINPOINT LASER

Enjoy pinpoint precision by seeing exactly where the needle will enter the fabric in every needle position. The BERNINA Pinpoint Laser marks your start and travel points as you sew and embroider.

NEW CUSTOMIZABLE STITCH ALTERING AREA

The Stitch Altering Area visualizes your sewing stitches and edits in real time. Zoom in and out, rotate the view and see the stitches magically come to life on the screen prior to sewing on your project. Activate the camera to view the needle area in the Stitch Altering Area and ensure your stitch pattern fits your needs.

NEW JUMBO STITCH

Resize any stitch from 25% to 500% for unlimited creative potential.

NEW UNDO/REDO

Undo and redo steps in sewing and Stitch Designer. View the changes instantly on the screen.

STITCH DESIGNER

Create your own stitches by drawing your ideas right on the touch screen. With a touch, the B 990 transforms your design into a stitch pattern or alters existing stitches as you wish.

NEW FILE MANAGER

Save adjusted or new stitch patterns and combinations. With the new File Manager, stitch patterns can be named and saved in the Personal Folder. Create folders, move, copy and paste files to organize your stitches and embroidery designs.

NEW BERNINA Pinpoint Laser

NEW Jumbo Stitch

Beautiful, giant embroidery.
Made easy, fast and precise.

The BERNINA 990 features extraordinary innovations to make embroidering even more precise and easier than ever. Go beyond normal embroidery editing with the numerous on-screen editing features. With just the touch of a finger quickly edit and design your embroidery masterpiece visualized in the embroidery hoop. Easy, accurate and intuitive — the world is now your embroidery canvas.

Precisely position your embroidery on any project with the various placement options. The B 990 allows you to place a design down to a single stitch, even checking each stitch with the new BERNINA Pinpoint Laser. The new BERNINA Placement Scanner visualizes your hooped fabric directly on the screen as a background to preview design placement and colors. View the needle area on screen with the Camera and combine with the BERNINA Pinpoint Placement to accurately place your designs with ease, every time!

The new high-end Embroidery Module XL with BERNINA Smart Drive Technology (SDT) and the new Giant Hoop come standard with the B 990. The Giant Hoop expands your embroidery horizon with the extra-large space and ability to embroider a 16.1" x 12" area, including a full 12-inch square.

Save and organize your embroidery and stitch patterns directly on the machine or USB (type A or C) in the File Manager. Name saved files, create folders, cut, copy, paste and simply move entire folders of designs from the USB straight to your Personal Folder quickly and easily — just like magic!

The B 990 includes the NEW BERNINA Embroidery Module XL with SDT and extra-large embroidery area (410 x 305 mm, 16.1" x 12"), and the NEW Giant Hoop

NEW: Customizable Quilt Designs
NEW: Customizable Lettering
NEW: Design Altering Area with Gesture Editing
NEW: WIFI

NEW: BERNINA Placement Scanner

Next generation embroidery with the B 990.

NEW BERNINA PLACEMENT SCANNER

Positioning of embroidery designs has never been easier. Scan to preview how your designs will look when stitched. Viewing the hooped fabric on the screen makes placement simple and provides a realistic preview for embroidery colors and sizing. Transfer the scanned background to the optional BERNINA Embroidery Software 9 DesignerPlus to digitize directly on your hooped project.

NEW CUSTOMIZABLE LETTERING

24 embroidery fonts with limitless resizing! Create embroidery lettering perfectly to fit your project with multiple lines, alignment and corrections to previously made text. Edit the stitch density and pull compensation, and transform the shape and spacing to get perfect results every time.

NEW ARRANGE FEATURES

Easily align, distribute, group/ungroup and move design stitchout order all while editing your designs. Match Start and Stop points of designs to create endless border and quilting designs without having to individually place multiple designs.

PINPOINT PLACEMENT WITH NEW 4-POINT

Perfect design placement starts with exact virtual positioning. Pinpoint Placement gives you total control of the stitching placement of your embroidery. With the new 4-Point Placement, simply define four points on the fabric in the hoop and the design is placed proportionally or morphed to fit the created boundary.

NEW WIFI CONNECTIVITY AND BERNINA STITCHOUT APP

WiFi allows you to transfer embroidery designs from your optional BERNINA Embroidery Software 9 DesignerPlus directly to your B 990, or the other way around. And thanks to the new BERNINA Stitchout App, the embroidery process can be monitored on your smartphone or tablet. The B 990 connects with the app allowing you to monitor the status of your embroidery stitchout from any room in your house. The app notifies you when the machine needs your direct attention, like thread color change, thread breakage or when the design is finished.

Quilt like a wizard.

The B 990 is your perfect quilting companion. With the large 14-inch throat space and the new BERNINA Integrated Stitch Regulator (BISR), quilting is comfortable and convenient. New features include the ability to adjust the minimum stitching speed and the adjustment of stitch lengths as stitches per inch (SPI).

Computerized Quilting with the SDT Embroidery Module empowers you to quilt like a pro. Unlimited scaling possibilities, the ability to modify the stitches per inch (SPI) and enhanced quilt securing enable you to achieve perfect results. New features let you further edit and customize quilting designs by visualizing the start and stop, flipping the start and stop position and matching the start and stop points. Use the over 200 built-in Customizable Quilt Designs, or expand your library. Computerized quilting is now in your total control.

The B 990 is a superior, all-in-one quilting machine. Extra-large space, precise stitch regulation and the ability to customize quilts of all sizes — you can feel confident creating quilt projects from the first to the last stitch!

NEW BERNINA INTEGRATED STITCH REGULATOR (BISR)

The new BERNINA Integrated Stitch Regulator is more than convenient when it comes to free-motion sewing and quilting. BERNINA Stitch Regulation is now possible with all quilting applications — including Ruler Work! The built-in stitch regulation works automatically with the 5.5 mm BISR Stitch Plate with Sensor and all BERNINA quilting presser feet and accessories. Simply attach the stitch plate, and the quilting foot of your choice to achieve perfect quilting stitches with the exact same length at variable sewing speeds.

NEW COMPUTERIZED QUILTING

The new Customizable Quilt Designs bring the functionality of professional longarm quilting to your embroidery machine. Unlimited scaling possibilities, the ability to modify the stitches per inch (SPI) and enhanced quilt securing functions enable you to achieve perfect computerized quilting on your embroidery machine. Formats compatible: BQM, HQF, PAT, PLI, QLI and TAP.

NEW START AND STOP EDITING

Push the boundaries of your computerized quilting by visualizing and adjusting the Start and Stop of Customizable Quilt Designs. Arrange designs to fit your quilt by flipping the position of the start and stop points, select multiple designs and match the start and stop points to create endless quilting designs with one touch — just like magic!

NEW 4-POINT PLACEMENT

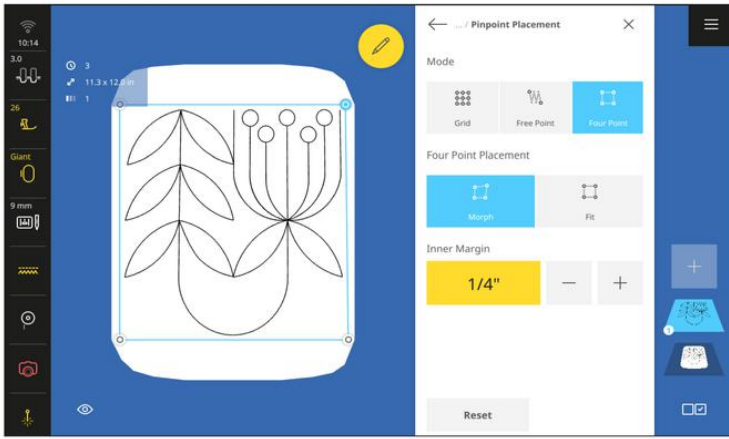

Computerized quilting is easy with 4-Point Placement. Simply define four points on the fabric in the hoop and the design is placed proportionally or can be morphed

to fit the created boundary. Add margin to adjust the spacing between the edge of your quilt block and the computerized quilting for a professional finish.

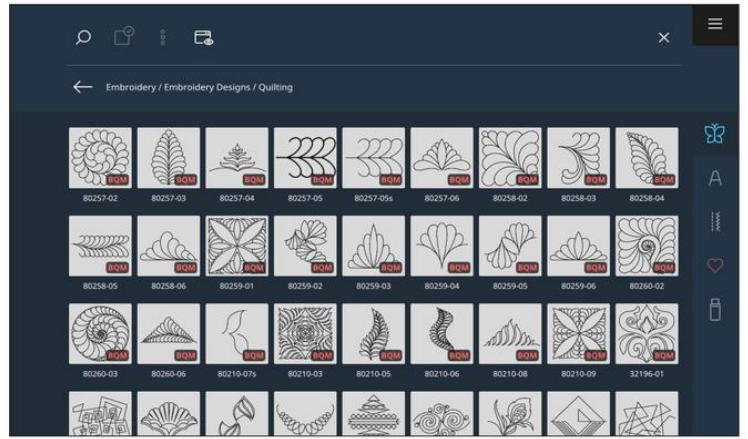

NEW GIANT HOOP WITH 12" SQUARE EMBROIDERY AREA

The new Giant Hoop is capable of stitching a full 12-inch square within the 16.1" x 12" embroidery field. Perfect for large quilt blocks! Easily hoop and re-hoop your quilt projects with the ergonomic twist lock closure and quick and easy markings on the inner hoop and template to align a 12-inch square. Effortless quilting even on the largest quilts.

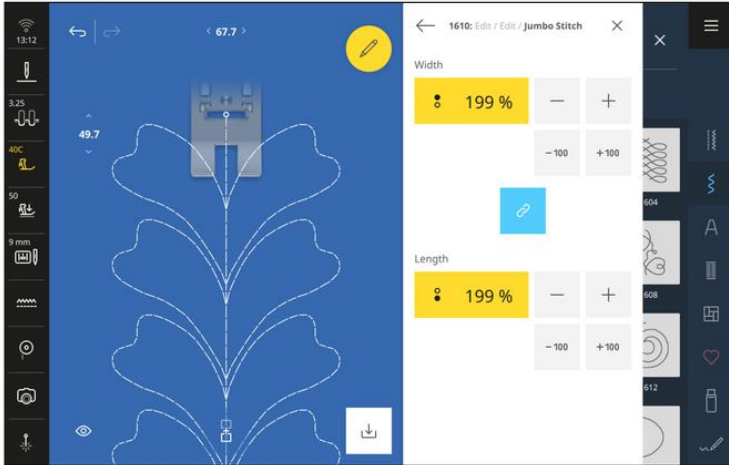

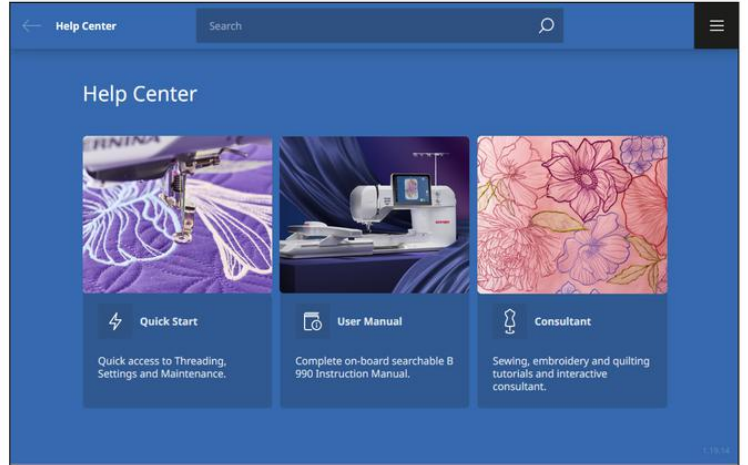

NEW 4-Point Placement with Morphing

NEW Customizable Quilt Designs

NEW Jumbo Stitch

NEW Help Center

More features you will love about the BERNINA 990.

EASE OF USE

The B 990 includes on-screen text to help you quickly find and understand editing features, saved and built-in stitch patterns and embroidery designs, and the machine settings. Use the search functionality in the Settings and Help Center to quickly find what you need when you need it.

TOTAL STITCH CONTROL

The B 990 provides an exclusive level of stitch control, up to 1,200 spm. Whether you are altering stitch length, stitch width or needle position, the machine will remember the details for you. Your personal settings can be saved for later use.

BERNINA DUAL FEED

The innovative BERNINA Dual Feed tames hard-to-manage fabrics providing superb fabric feeding. The B 990 allows for fine-tuning of BERNINA Dual Feed. Easy to engage when needed, it tucks completely out of the way when it's not required.

SEW WITH EVEN GREATER EASE

The B 990 accomplishes many tasks all by itself. The presser foot lowers automatically at the beginning of a seam. Needle threading is simple and fast with the Automatic Needle Threader. The thread is cut automatically when you reach the end of a seam, or when you wish to change colors while embroidering. Moreover, a practical extension table (12.5" x 25.9") significantly increases your work area and is included in the standard package.

BERNINA ADAPTIVE THREAD TENSION

The BERNINA Adaptive Thread Tension, a BERNINA innovation, provides ideal thread tension while sewing to achieve perfect stitch quality on both sides of the fabric. Once the tension is set according to the thread and fabric used, BERNINA Adaptive Thread Tension will constantly check the thread tension, adjusting it automatically when needed. The result is the finest stitching without pressing a button.

JUMBO BOBBIN

The front loading, easy access Jumbo Bobbin holds up to 70% more thread than standard bobbins, allowing you to sew and embroider longer without interruption.

NEW BERNINA STITCHPRECISION² TECHNOLOGY

The B 990 features the next generation BERNINA stitchprecision² Technology that makes your sewing, quilting and embroidery experience quieter, more precise and joyful.

NEW STITCH PLATE RECOGNITION

The B 990 automatically recognizes the stitch plate once it is attached to the machine. If the stitch plate is not compatible with the selected stitch pattern, needle or presser foot the machine will not sew as an additional security measure.

EASE OF USE

Touch Gesture Editing

Move, size and rotate the designs in the design altering area for quick and easy transformations.

File Manager

Save, name, copy, paste and move files in your Personal Folder. Receive additional information about designs before opening them in embroidery.

Settings

User-friendly settings with clear descriptions and searchable navigation.

Help Center

Connect to the Help Center with your personal device by scanning the QR code.

EMBROIDERY EDITING

Color Wheel

Change the hue and saturation of a design on screen. Individually adjust colors in the Color Wheel to truly customize your embroidery designs with clear visual representation.

Group/Ungroup

Combine designs into a Group to edit at once. Ungroup to edit designs individually, or by thread color.

Customizable Lettering

Unlimited resizing of the 24 embroidery fonts. Additional editing tools expand your embroidery lettering options.

Shape Designer

Arrange designs including imported stitches into formations such as rectangles, circles, hearts, stars, arches and more.

DESIGN PLACEMENT

Arrange

Align, group, ungroup or rearrange stitchout order quickly and accurately with visualizations directly in the hoop.

Pinpoint Placement

Precisely place any embroidery design with 2-Point and 4-Point options.

Virtual Positioning

Place every design to an exact stitch and see the visualization in the hoop on the screen.

Camera

View the needle area for the perfect placement of stitch patterns and embroidery designs.

NEXT LEVEL SEWING

Stitch Designer

Create your own stitches and continuous line quilting designs by drawing your ideas right on the touch screen.

Sideways Motion

Enjoy 272 Sideways Motion stitches or create your own with the Jumbo Stitch for even more options.

DESIGNS & ALPHABETS

Built-in Stitches

Create with 2,927 sewing stitches including 16 sewing alphabets.

Built-in Designs

879 built-in embroidery and customizable quilt designs at your disposal.

Bernina 880 Plus

The **Bernina B880 Plus** is the ultimate in sewing, embroidery, and quilting machine. The B880 Plus includes an integrated Stitch Library offering over 1,764 stitches. Each is clearly categorized and stitches are easily retrieved, so you can find any of the 12 font styles and 460 high-quality embroidery designs you need. Enjoy pinpoint placement, enhanced editing functions, total embroidery stitch control, the Bernina Stitch Regulator, and the precise BERNINA Hook that sews high-precision stitches up to 9 mm in width with speeds up to 1,000 stitches per minute.

The extra-large bobbin holds 70% more thread than standard bobbins, so you can keep sewing for longer with the 13-inch free arm and 10 inches of space to the right of the needle. Automatic features included are thread cutting at the end of the seam, semi-auto threading, and auto-lowering of presser foot. Additionally, you'll have access to on-screen support, which provides sewing tips and time-saving advice for the ultimate user experience.

Quilt Quarters has 4 certified pre-owned B880s in stock.

Bernina 880 Sterling Edition

The **Bernina B880 Sterling Edition** is an advanced, innovative machine that is made to be as sleek as it is functional. This sewing and embroidery machine boasts an extended freearm for an XL embroidery field that expands the border of your creativity. There are several benefits built-in to the B880 Sterling Edition, too, and you can experience the convenience of the 7" color touchscreen with drag-and-drop, vertical scrolling, and swiping functions for heightened editing abilities. On this touchscreen, you will have access to:

- An extensive stitch and design library with over 1,764 stitches, 400 high-quality embroidery designs, and 12 font styles
- The Bernina Stitch Designer, which allows for the creation, editing, and storage of your own stitches,
- The Bernina Shape Designer, which makes duplicating and arranging embroidery designs easy,
- The Bernina Color Wheel, which coordinates designs to a color scheme, and
- A Distortion feature, which allows for a .01mm distortion to stitch patterns.

~~\$12999~~ **\$5999**

Contact the store nearest to you to check out this certified pre-owned Bernina 880 Sterling Edition and enjoy a 1-year mechanical warranty and 30-day unlimited ask warranty on all pre-owned machines today!

Bernina 880

The Bernina 880 is a high-performance sewing and embroidery machine packed with advanced features for ultimate creativity and precision. It boasts fully automatic functions, and one of the standout features of the Bernina 880 is its extended freearm, which provides extra space for larger or more complex projects such as quilts and home décor. With an extensive stitch and design library, you can explore a wide range of options, from classic stitches to intricate embroidery, giving you endless possibilities for your sewing and quilting projects.

The modern color touchscreen offers an intuitive interface, ensuring you have full control over your designs with just a tap of your finger. You can now easily customize your projects with the Bernina Color Wheel, Stitch Designer, and Shape Designer, which allow you to create colorful, one-of-a-kind stitches and shapes tailored to your exact specifications.

~~\$13999~~ **\$3999**

Bernina 590E

The Bernina 590E sewing, quilting, and embroidery machine is powerhouse from Bernina, great for tackling large projects and unruly materials. With high power and the ability to sew and quilt through multiple layers at impressive speeds, this machine handles heavy-duty tasks reliably.

Achieve finest embroidery results thanks to precise features like Pinpoint Placement, which allows for easy design positioning by simply selecting two points and letting the machine match them with fabric markings for flawless placement. The automatic thread cutter simplifies your workflow by cutting the thread, lifting the needle, and raising the presser foot—all in one action. And, for clean, professional results, the Thread Away Mode and Invisible & Smart Secure give perfect embroidery finishes. The BERNINA Hook delivers consistent, high-quality stitches at a top speed of 1,000 stitches per minute, making the B 590E an exceptional choice for sewists and quilters alike.

~~\$8999~~ **\$2999**

Contact the store nearest to you to learn more about the certified pre-owned Bernina 590E we have and enjoy a 1-year mechanical warranty and 30-day unlimited ask warranty on all pre-owned machines today!

Bernina 790 Pro

The Bernina B790 Pro is the perfect machine for grand ideas. This sewing, quilting, and embroidery combination machine gives your projects beautiful embroidery every time with pinpoint placement, enhanced editing functions, total embroidery stitch control, and more. BERNINA technology and notions like the Bernina Hook sew high-precision stitches up to 9 mm in width with speeds up to 1,000 stitches per minute, and the bobbin holds 70% more thread than standard bobbins for an extended sewing period. With the B790 Pro, you'll have a 13 inch free arm with 10 inches of space to the right of the needle for more project space.

Additionally, you'll get the convenient auto thread cutting, semi-auto threading, and auto-lowering of the presser foot functions. With adaptive thread tension and the Bernina Stitch Regulator, along with on-screen support providing wing tips and time-saving advice, the Bernina B790 Pro leaves nothing to want, because it's all at your fingertips!

~~\$15499~~ **\$9999**

Bernina 750QE

The **Bernina 750QE** sewing and quilting machine is built to help elevate your creative projects with precision and versatility. Its extra-long freearm provides ample space for handling larger quilts and bulkier fabrics, while the BERNINA Stitch Regulator (BSR) ensures perfect stitch quality during free-motion quilting and sewing. The intuitive color touch screen allows for easy navigation of settings, designs, and adjustments, and the BERNINA Dual Feed provides uniform fabric feeding, which prevents shifting layers for a flawless finish.

The BERNINA 9 Hook and Total Stitch Control offers consistent, high-quality stitching every time, whether you're sewing or quilting. For added convenience, the Sewing Consultant and built-in tutorials offer on-screen guidance, providing answers and support right when you need them. It is compatible with Bernina Embroidery Modules, which allows you to create mirror images as well as rotate, size and recolor your selected design right on the color touch screen.

~~\$9999~~ **\$2999**

Janome Threadbanger TB12

The **Janome Threadbanger TB12** is a compact, portable sewing machine perfect for both beginners and experienced sewists. Its cast aluminum body ensures durability and stability, while its lightweight design makes it easy to transport for sewing on the go. With 12 actual stitches, including basic stitches and a simple 4-step buttonhole, the TB12 offers versatility for a variety of projects. You can adjust stitch length, width, and reverse to customize your creations, and the EZ Change Feet system makes switching presser feet a breeze.

The built-in accessory storage compartment keeps tools organized, while the bobbin winder and manual thread cutter enhance efficiency and ease of use. Whether you're working on small repairs or creative sewing projects, the Janome TB12 combines user-friendly features with reliable performance for every task.

~~\$299.99~~ **\$199.99**

Handi Quilter Sweet 16

The **Handi Quilter Sweet 16** offers a free-motion quilting experience like no other. With easy setup and assembly, you'll be putting your creativity into action in no time. Choose from two modes of stitch regulation and enjoy 4 to 22 precision stitches per inch, a walking stitch, five basting stitches, and a remarkable stitching speed of up to 1,800 stitches per minute. You'll also get added creative control with:

- Lots of built-in diagnostics
- An adjustable color touchscreen
- Easy-Set Tension™
- Simple needle changes powered by an ergonomic thumb screw
- The responsive foot pedal
- Needle-stop position control.

While this is a comparatively simple-to-use quilting machine, it can serve the needs of quilters of every skill set ranging from beginner to more advanced levels.

Janome Airthread 2000D

The **Janome Airthread 2000D** is a sewing machine made for simplified serging. Every project is easier with the right tools for the job, and the AirThread 2000D provides all the tools you need to deliver professional quality finishing. With Janome's One-Push Air Threading System the tedious threading of upper and lower loopers is a thing of the past. The 8-Piece Feed Dog System will easily grab and feed your fabric, from slinky knits to denim, the AT2000D will meet the challenges of your sewing projects.

The Built-in One-step Converter makes changing from 3-thread to 2-thread applications easier than ever. And with a built-in needle threader, manually threading your serger needles becomes easier than ever. One unit provides threading of both the right and left position needles. Enjoy other features such as:

- Air Threading: Upper and Lower Looper Thread
- Adjustable Cutting Width 3.3 to 7.5 mm
- Maximum Stitch Speed 1,300
- Lower Looper Pretension Setting Slider
- And more!
