Bernina 880 Plus

The Bernina B880 Plus is the ultimate in sewing, embroidery, and quilting machine. The B880 Plus includes an integrated Stitch Library offering over 1,764 stitches. Each is clearly categorized and stitches are easily retrieved, so you can find any of the 12 font styles and 460 high-quality embroidery designs you need. Enjoy pinpoint placement, enhanced editing functions, total embroidery stitch control, the Bernina Stitch Regulator, and the precise BERNINA Hook that sews high-precision stitches up to 9 mm in width with speeds up to 1,000 stitches per minute.

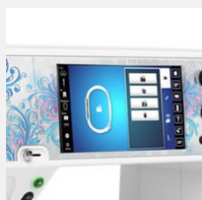

The extra-large bobbin holds 70% more thread than standard bobbins, so you can keep sewing for longer with the 13-inch free arm and 10 inches of space to the right of the needle. Automatic features included are thread cutting at the end of the seam, semi-auto threading, and auto-lowering of presser foot. Additionally, you'll have access to on-screen support, which provides sewing tips and time-saving advice for the ultimate user experience.

Quilt Quarters has 4 certified pre-owned B880s in stock.
